The principal read out the Compliance report of the 1st governing body meeting held on 05.01.06, which were ratified,

Students information:

Signature of the students should be taken on the monthly attendance report whose attendance percentile is below 75% and the same should be displayed on the notice board.

protection cell for the girl students should be constituted with the senior women faculty members and the heads of the departments.

Apart from their academic schedule, the students should be involved in organizing college events.

faculty information:

Training programmes should be conducted in the college campus by professionals and also invite the faculty members of other Engineering colleges.

The appointment of the faculty members should be ratified by the university.

The management is planning to surrender the EIE and request for additional 60 seats in ECE for the next academic year.

As there is more demand for MBA course, necessary action has to be initiated to start MBA course also.

The chairman Sri B. Venu Gopala Krishna chaired the meeting and with the permission of the chair, principal invited the members.

Students Information:

The 1-year students performance should be assessed immediately after the 1-internal exam rather than analyzing the results at the end of the year.

The teacher counsellors should concentrate on the students who are below average.

The day scholars should be concentrated rather than the hostlers.

The performance of the student should be compared with their EAMCET Rank and intermediate marks.

Faculty Information

The performance appraisal form of the faculty members need not contain the details of the students.

The faculty members may be permitted to attend the summer and winter courses organized by different engineering colleges.
